Turning the ordinary into Very Special

About our packages

Our full styling packages are here to help you with styling your wedding - are you unsure of what colour scheme or theme to go for? Let us help you with our 3 ready-made themed packages.

Let us take your event from ordinary to Very Special

Celestial Dreams

Opulent and Magical

A perfectly whimsical, dreamy and fun theme featuring a crescent moon backdrop, what a statement! 'Love you with no regret' is the meaning of the 55 origami star canopy that comes with this package.

Timeless Elegance

Classic and Elegant

A beautiful style that will never date - simple, timeless and classic, with subtle blush tones if desired!

Rustic Charm

Embracing Natural Beauty

Featuring nature-inspired textures, simple and earthy colours with hints of gold.

Bespoke

A complete bespoke package made just for you, bringing your Pinterest dreams to life. You can also mix and match any of our package items and/or props.

Styling Packages Summary

Our 'ready made' packages detail what items are included and some example images so you can get a feel of how everything will look.

You will have a stylist on the day to set up your styled areas and make sure every detail is picture perfect.

If you wish to swap, change, mix and match some of the items in the packages no problem! We are here to help and make your day as special as it can be.

“

*Your wedding
your way*

”

Package Costs

Styling package costs below include top table based on x8 people:
